

We're hiring: Production Operators – Rubber Mixing Industry

Hudson/Stow, OHIO

Alttran, Inc.

Are you hands-on, detail-oriented, and ready to be part of a high-performance manufacturing team?

Alttran, a leader in rubber mixing and compounding is seeking Production Operators to join our growing team. This is a great opportunity to work in a fast-paced industrial environment with opportunities for growth and skill development.

Key Responsibilities:

Operate rubber mixing equipment (e.g., Mixers, Mills, Extruders, Testing Equipment, etc)

Weigh and load raw materials then monitor batch consistency through testing

Follow safety protocols

Inspect and maintain equipment during operation

Assist with cleaning, setup, and changeovers

Requirements:

Previous experience in manufacturing and industrial work is preferred but not required

Depending on position hired for, the ability to lift 50+ lbs repetitively

Comfortable with shift work (day/night shifts may apply)

High school diploma or GED preferred

Strong attention to detail

Excellent communication skills

Valid Driver License

Ability to train on 1st Shift (6:30a-2:30p) for about 3-6 weeks depending on position training is required and previous experience

We Offer:

Competitive hourly wage with scheduled reviews and wage increase opportunities

Overtime availability

Paid training and opportunities for advancement

Safe and supportive work environment

We Offer (*after probationary period has been completed (typically 90 days)*):

Health, dental, and vision insurance

Paid vacation

Paid Holidays

401K

Attendance incentives
